How might people build grit in our current situation?</p>	<p>Morning Meeting</p> <p>Lesson Prompt: Since the first week of school, you've learned a lot about each other. But likes and dislikes can change over time. Let's see what's changed (or stayed the same)! Write your responses to the following questions: What's your favorite food? Favorite show/movie? Favorite sport, game, or activity? Write a "C" next to each response that has changed or an "S" next to each that has stayed the same since the beginning of the year.</p>	<p>Morning Meeting</p> <p>Lesson Prompt: Due to our current situation, things have changed for us all. Think about new activities you'd like to try after all this is over - maybe a new sport (disc golf), hobby (3D drawing), or club (book group, DnD). List your top 3 activities (ones you do now) and then make a wish list of the top 3 new activities you'd like to try when this is over.</p>	<p>Morning Meeting</p> <p>Lesson Live Check In: 8:30 - 9:00am Share: Hi's and Low's Activity: Cherades</p>
