

Hello Brilliant Geometers,

Below are this week's geometry activities. All information can also be accessed in our Google Classroom. This week I have provided hard copies of materials. You can also work from your textbook or eBook.

CPM has also provided open access to eBooks until the end of June.

<https://open-ebooks.cpm.org/?679452366969549516>

I really miss you all and look forward to seeing you on Zoom, emailing, or talking on the phone.

Day	Activity
Monday	<p>Zoom Meeting 10:00am (Meeting ID: 541-669-3796)</p> <p>Please complete the Chapter 7 Closure problems. Show all your work and use graph paper for graphs. Please email or call Ms. Bald with questions or add them to the assignment stream on google classroom. Feel free to connect with your classmates to work through problems. Completed work can be uploaded and submitted or keep a hard copy to send back to school.</p>
Tuesday	<p>Contact Ms. Bald if you still have Chapter 7 Closure problem questions.</p> <p>Find or create one "test" question to help the class review Chapter 7. It could be a vocabulary matching, a homework question we did not do in class, or something else (as long as it helps us review Chapter 7). Be sure to supply an answer key for your question.</p>
Wednesday	<p>Complete the Chapter 7 Assessment. You may use your toolkit if needed. Be sure to show all work and provide written explanations whenever possible.</p> <p>Assessments should be completed on the paper copy provided in home packet. Please keep all work papers together and place in your return to school folder. Paper copies of assessment will be graded and returned to you.</p>
Thursday	<p>Zoom Meeting 10:00am (Meeting ID: 541-669-3796)</p> <p>Complete problems in Section 8.1.1 (8-1 th 8-5). Use included Resource Page for problems 8-2 and 8-3.</p> <p>Please email or call Ms. Bald with questions or add them to the assignment stream on google classroom. This assignment is a fun activity to help refresh vocabulary and explore new shapes. There is no turn in component to this assignment.</p>

Friday	<p>Complete problems in Section 8.1.2 (8-13 th 8-16). Use included Resource Page for problem 8-14 (extra copy for Learning Log if needed).</p> <p>Please email or call Ms. Bald with questions or add them to the assignment stream on google classroom. Submit a copy of your Resource Page on google classroom, or send a completed on back in your return to school folder.</p>
