

Worksheet: Comparing Financial Aid Packages

Use the information from your financial aid letters to determine the net cost to you and your parents. The first page will help you determine your total costs to attend each school; the back will help you determine if there are college costs that aren't covered.

FINANCIAL AID PACKAGES		College:	College:	College:	College:
Cost of Attendance: <i>Tuition, Room and Board,</i>					
<i>Books, Transportation, Entertainment, etc.</i>	=
