

Music Appreciation

Distance Learning Week 1 4/6/20-4/10/20

Welcome to the new Music Appreciation classroom!

I have printed out the entire note packet for the first unit, Elements of Music. This packet should take us through next week. After this packet, I will not send paper copies unless you request them by returning the bottom portion of this page.

Instructions for completing this packet:

- The information for the notes and the listening selections are all in the Elements of Music presentation that is posted on the AFSA website as well as Google Classroom.
- Plan on completing about 2 pages of the packet each day. Make sure you watch the videos and listen to the selections of music as you go through the notes!
- When we have completed this packet, you can send it back on the next delivery and I will grade it. If you would rather send it digitally, you can take pictures or scan it and email it back to me.

4th Block:

The beginning of this packet is the same as the packet we started in class on Thursday, 3/12/20. If you have your packet with the notes we started, you can copy them into the new packet or you can just pick up where we left off and turn in both packets.

5th Block:

You will start at the beginning of the packet.

Other information:

I would like to have some form of class discussion for the discussion questions that are in the notes and presentation. This may be directly through Google Classroom or through a Zoom meeting. If you do not have access to the internet, we will schedule a phone call so you can share your thoughts.

We will probably try doing things a few different ways, so please let me know if you have any feedback or other ideas! My email address is bvolbrecht@afsahighschool.com and my phone number is (612) 405-0988.

Thank you for your flexibility!

-Mrs. Enoksen

Please return this portion on the next delivery:

Name: _____

- I would like to receive paper copies of all assignments
- I would like to receive paper copies of all presentations
- I would like to schedule a phone call to listen to the selections of music
- I will complete the notes digitally and am able to access the links in the presentation
- Other: _____
