

Introduction to Fantasy Geopolitics!

The Task: Draft a team of all-star countries and follow the part they play in the world.

How does Fantasy Geopolitics work?

1. You will draft a team of 5 countries on _____.
2. You will earn points for each time that country is involved in world events.

How To: (more detailed instructions will be coming)

1. Register at fanschool.us using the token you will be given.
2. The order that you register in is the order you will draft in.
3. Prepare for the draft; find out what's going on in the world!
4. Follow what's happening with your countries and report back on a regular basis, in a variety of ways.
5. You will be building a map throughout the trimester using information you gather in class assignments.
6. Your final project will require you to identify your "Most Valuable Player" and create a presentation on that country and its role in the world.

Grading:

You will be graded on the following: (grading criteria will be on individual assignments)

1. Draft Preparation
2. Get to Know Your Team
3. Current Event Reports
4. Most Valuable Player Report
