

## **Classwork: Guided Notes on United Nations Reading**

Read article on the United Nations and take notes on the following three areas. There should be at **minimum five pieces of information in each column** and notes should be **in your own words**. There may be a quiz – so think about what could be asked!

<b>Describe the history of the United Nations.</b>	<b>What are the purposes of the United Nations?</b>	<b>Describe the organization of the United Nations.</b>
